“

Working with Alabama Media Group has been more valuable than I ever expected. Coming in, we wanted to see an increase in customers – and we have. What I didn't expect is the amount of information they could share with me about my customers. I value our partnership and the level of transparency and passion AMG brings to our meetings.

ALABAMA

ALABAMA'S MAJOR METRO AREAS

BIRMINGHAM:

The Magic City is the largest in the state with a metro population of 1.15 million and median household income of \$51,459. People who visit get a taste of the variety that the city offers—in entertainment, cuisine, the arts, nightlife and the great outdoors. Birmingham was born out of iron and steel, and remnants of these early beginnings are preserved in places such as Sloss Furnaces National Historic Landmark. The city is also well-known for its prominent role in the Civil Rights Movement of the 1960s. A visit to the Birmingham Civil Rights Institute gives visitors an in-depth look at that important era.

HUNTSVILLE:

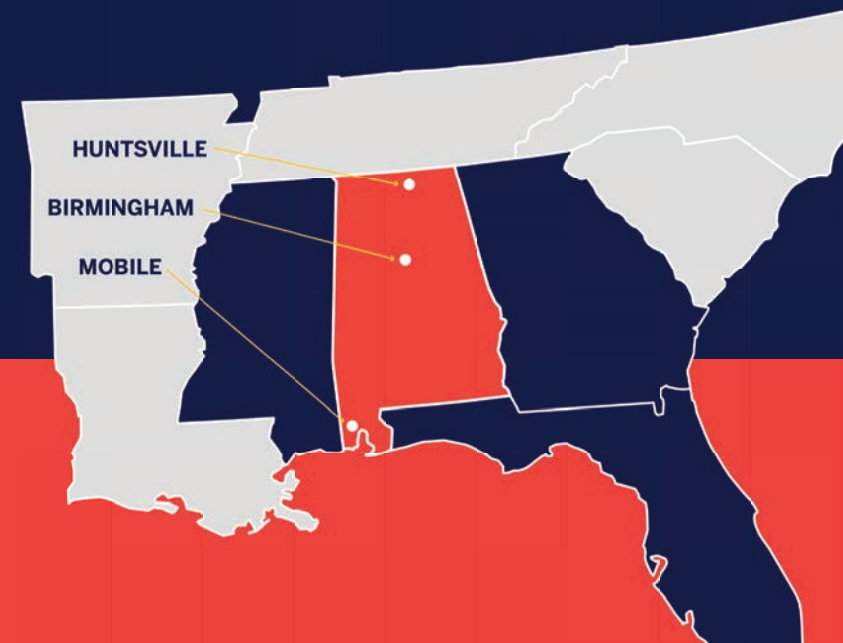

They call it Rocket City. Other than NASA, there are many other notable organizations that reside in this charming city, such as Boeing, U.S. Army Redstone Arsenal and Cummings Research Park. Huntsville has grown into a metropolitan population of 444,752 with a median income of \$57,792. This talent is the result of a diverse industry base including aerospace & defense, advanced manufacturing, bioscience and information technology.

MOBILE:

Alabama's only saltwater port brings a population of 415,395 and median household income of \$42,699. Mobile is a place where a melting pot of people, flavors, cultures and traditions become one voice to lead all of life's celebrations. Once called Paris of the South and home to America's original Mardi Gras that rolls through the streets of its historic downtown, Mobile has long been the cultural center of the Gulf Coast.

Southeastern US:

Although our name is **Alabama Media Group**, our imprint reaches far beyond the state of Alabama. Our SEC college football coverage and social brands like It's a Southern Thing resonate with people all across the South.
